

Holly Kowblich - Vice President (2017/2018)

I have been involved with reining as a Non Pro for many years and have had the opportunity to sit on various boards and provincial associations. I have been involved with Reining Canada for over 8 years to date as both a Director and Vice-President. Reining is my passion and I love to show in the aged events. I reside in Wainwright, Alberta and work full time while volunteering my free time to reining and showing throughout western Canada and the U.S..
